## *These Hands*

*I'm proud of them - these hands of mine;  
So many things they've done.  
They've planted flowers, and pulled the weeds,  
And worked out in the sun.*

*They've kneaded bread and cooked the meals  
More times than I can say.  
They've washed a ton of clothes, I guess,  
And put them all away.*

*They've soothed a small child's fevered brow  
And rubbed an aching head.  
And when the evening shadows fell,  
They put the brood to bed.*

*They've borne the bite of winter's cold  
And felt the warmth of spring.  
And on one finger long ago  
Was put a wedding ring.*

*And when my journey here is o'er,  
I still shall thankful be  
That these old worn-worn hands of mine  
Have done so much for me.*
